Tessa Eveleigh : Color in Your Home before purchasing it in order to gage whether or not it would be worth my time, and all praised Color in Your Home:

This is the ultimate color guide for home decorators. It provides clear, visual instructions readers can use to create color harmonies that achieve an array of effects, from subtle tonal schemes to stunning contrasts. It helps them map out the best schemes for every room in their house, and demonstrates how to create a foolproof color storyboard, complete with swatches and color samples.
