**Better Homes and Gardens : Color Solutions (Better Homes Gardens)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Color Solutions (Better Homes Gardens):

0 of 0 people found the following review helpful. Answers and Ideas Throughout By D Harrison I have found inspiration each time I look through this book. It is definitely an answer book for color decorating questions. I find myself referencing it again and again. There's always something new to find. There are question answer sections interspersed with color concept pages. Each question is usually answered several ways. Very flexible. Best book I have for this subject. 0 of 0 people found the following review helpful. Color Solutions (Better Homes Gardens Book) By Crystal This book has excellent explanations of when and where to use color and what combinations to use. It has many examples to go along with their explanations. 18 of 21 people found the following review helpful. Not bad, but not terribly helpful for me By A Customer This is a good book to buy if you have color questions that you want answered, such as what color paint will go with your wood furniture, or how to approach decorator problems. It's not a bad book, but it didn't demystify color for me ... I didn't feel after reading it that I was confident and ready to go paint and decorate my home. I feel like I need another book.

The only book about color that starts with the problems home decorators want to solve. Problem-solving approach

breaks color selection down to 10 basic questions and devotes a chapter to answering each question. Photo-driven format illustrates options; text explains how to handle specific situations.

From the Inside Flap Q. Where do I find answers to my questions about color? Answer: in this book. Better Homes and Gardens (R) Color Solutions offers answers to many of the most frequently asked questions about choosing and using color. Photos illustrate options for ways to solve common color quandaries or meet decorating challenges: I have a dark green sofa -- what color should I paint my walls? How can I give my bedroom a new look without changing the carpet? What colors will look best with my mahogany furniture? How can I make a small room feel more spacious? Learn how to make the most of what you have by using color. More than 200 photos show how to use color on walls, ceilings, floors, and furnishings to achieve the effect you want. Dozens of tips from experienced homeowners and designers. Practical and creative ideas for turning decorating challenges into assets. Guide to color schemes, color and mood, color and light, color and wood, and making seasonal changes. Complete resource listing.
