Having said that, the print is too small to easily read, Color should be a book to luxuriate in, not struggle with .0 of 0 people found the following review helpful. Color- its so cool !!!By Ausra SavickieneI love,its very interesting and fun to read .Recommended to any one how is in arts .Thank you very much.1 of 1 people found the following review helpful. Very original color combinations...By A Customer...that really work together. The photography of the rooms is beautiful. The back section shows swatches of the colors used in the room photographs. Very useful. This book can be used as a reference beyond home decorating -- it will be of valuable whenever you need to work with color.

From cool blues to warming reds, from natural browns to sea greens, choosing the most suitable colors for your home can be both exciting and rewarding. So, whether you want a complete color theme for a whole room or simply wish to add a dash of vibrant color to an existing scheme. COLOR is packed with inspirational ideas for introducing color to

every room in the house.
