Miss Mary K. Hukill : **Community Garden Revolution: A Manual (Black and White Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Community Garden Revolution: A Manual (Black and White Edition):

Black and White Version. Community Gardens can be and should be done by EVERY Group possible in your City and Town. Start growing a Vegetable or Fruit Garden in your Backyard. Join a Healthy and Hunger Movement Today. We can be more healthy with Physical Activity working in Gardens, we can help fight Hunger, Jobs can be created with a new Agriculture Economy and mindset. Change your Thinking. Great things can change and Happen in your Backyard. Tear down the Blighted and vacant buildings in your town and add an Urban Farm, Grow some Veggies in beautifully decorated sites downtown and soften the harsh concrete look. Come together as a Community, as a Humane and Human Group. Help yourself, and help others. Do Donate to a Food Pantry and, or, Food Bank, do remember others when you grow your new Community Garden or add to your Homestead. YES!!! we can all make a HUGE difference in our Nation and be more Food Secure. Lets fight Food Insecurity for children, Seniors, the Single Moms and Dads, lets be a Food Stable Nation. YES!!! You can make the difference. Have a Great Community Garden Day! Learn from what is being done in each of the 50 States and Washington, D.C. Help Celebrate the 35th Anniversary of the American Community Garden Association. Congrats! From each book SOLD an amount goes to them to help re-grant FUNDS to help Cities and Towns start Community Gardens. Join in. Grab a Shovel, spade, some gloves, and seeds.....lets plant some Community Gardens! Thanks!

About the AuthorThe Author of "Flowers.....with Facebook Friends from around the World!" which is on AMAZON.com and at your Bookstores and ONLINE Retailers. I'm from the Midwest. Gardening has been a part of my Life for a long time. There have even been some Farmers in my Family. And, of Family Friends. I have also been growing Flowers for a while. Sometimes I am good at it, and, then, well, sometimes I'm not. Just reload. The past several years I am getting better growing Lettuce. In containers. Huge pots. I rotate the growing time and have had a bounty of Lettuce, various kinds coming up. This year, I'm adding Sprouts to the list with the Tomatoes. Hope you can help grow more Community Gardens in your City or Town. Email me: communitygardenrevolution@gmail.com if you want to have a Teleconference, or, Skype Conference for a Group. For Bulk Sales, see my Facebook site and lets have some Workshops. I can do Purchase Orders. Have a Great Community Garden Day! I'm helping the American Community Garden Association raise FUNDS to re-grants to Cities and Towns to start or augment their Gardens. An amount per book sold goes to them! Lets raise some Vegetables and some FUNDS! Happy 35th Anniversary to the American Community Garden Association in 2014.
