Jennifer Niter : Community Gardening for Fun Profit before purchasing it in order to gage whether or not it would be worth my time, and all praised Community Gardening for Fun Profit:

0 of 0 people found the following review helpful. A perfect gift to yourself or for another. By Kia This book is very informative. For someone that doesn't have a green thumb at all, I was starting with a blank canvas. It was an easy read even for a novice like myself. I highly recommend.

Community Gardens are seen as an upgrade to abandoned lots but there is more to these green spaces. They can transform and bind communities. This book will show you how to procure a space, develop it, and maximize profit opportunities with it.
