book for anyone building basement rooms

Shows all the tools, materials, and techniques needed to finish a basement, from framing walls to installing finish flooring and fixtures. Shows how to develop plans for functional and attractive basement rooms, including laundry rooms, storage spaces, bathrooms, kitchens, laundry rooms, recreation rooms, and more.Designed with two tiers: one to cover basic project and one to present extra information to cover options and unusual circumstances and Stanley Pro Tips. Simulated hyperlinks draw readers to extra information for unusual situations and additional information.
