Sheldon J. Fuchs : Complete Building Equipment Maintenance Desk Book before purchasing it in order to gauge whether or not it would be worth my time, and all praised Complete Building Equipment Maintenance Desk Book:

0 of 0 people found the following review helpful. Nice Reference Source. By J. Henderson For the price you can't beat this book for its reference value. It is a bit dated, but who's not? I recommend this book for reference purposes only. 0 of 0 people found the following review helpful. Complete Building Equipment Maintenance Desk Book, 2nd By A Customer Great book, covers a lot of equipment in great detail in everyday language. I would recommend this book for all property management personnel. Well written and organized material. 0 of 0 people found the following review helpful. Is this Sheldon Fuchs from Hillside, NJ? By Susan Jaye Gutierrez This is a thorough overview I have recommended to my retirement housing associations.

This manual presents 16 chapters packed with ideas, checklists, guides, maintenance procedures, and concepts that will enable you to improve your operation and get the maximum for every dollar spent. Provided are proven ideas and techniques that can double, triple, or quadruple profits -- resulted from implementing a moderate, cost-effective equipment maintenance program. Practical answers offer the best thinking of 21 experts in the field, people who have been faced with the same problems you confront and found workable, manageable solutions. Collectively, the cost-saving, equipment-saving, manpower-saving examples have boosted the bottom line of actual companies by hundreds of millions of dollars.
