By Cherijoy L Searle I really like this series of self help books. The Stanley complete books are easy to follow and has lots of pictures to walk you thru your project. I was looking for built-ins but not the kind they showed. I wanted slide in vertical shelves in the pantry cubby area. I guess I will have to design my own. Book arrived in a very timely manner and was in great condition, very pleased with the vender. 0 of 0 people found the following review helpful. Not enough full wall built-ins. By Herman Gottfried Not enough full wall built-ins.

Step-by-step format provides sure-fire how-to for popular storage projects, including bookcases, shelves, plus built-in nooks, benches, and window seats. Basic carpentry techniques are clearly explained and illustrated. Complete instructions offer solutions for common storage dilemmas plus ideas for unusual situations. A pre-start checklist with each project includes tools, materials, skills, and prep time needed. Stanley experts provide practical tips to avoid pitfalls and ensure success.
