**Editors of Sunset Books : Complete Home Storage (Sunset Book)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Complete Home Storage (Sunset Book):

0 of 0 people found the following review helpful. Great ideas, practical, informative and great pictures and examples. By Pamela We have a house with minimal storage. We were looking for ideas that don't always involve putting together particle board/melamine storage cabinets. This book was checked out from the library then immediately ordered online for our own reference library. Fantastic built-ins, photographs, and examples of ways to create storage in all rooms of your home and your property. Ways to use utilize your current furnishings without have to custom build cabinetry as well. Love it! 0 of 0 people found the following review helpful. Five Stars By melidalove this book 0 of 0 people found the following review helpful. good job! By Bruce Renshaw good job!

The decision to de-clutter is made delightfully simple with this new edition of a Sunset bestseller. If you're tired of messy drawers, overflowing cabinets, and stuffed-to-the-gills closets, Complete Home Storage offers amazing

solutions for all your storage challenges. It explores hundreds of practical and unexpected storage ideas for every drawer, every shelf, every closet, and every room in the house, from home office and hallway to bedroom, bathroom, and beyond. Whether you want to buy a storage solution or build it yourself, Complete Home Storage helps you assess your storage needs--be it shoes, CDs, or wine--and determine the best options available. It also shows how storage components can perform double-duty as furniture or design elements. In addition to comparing the merits and providing resources for commercially available products, Complete Home Storage includes instructions for 8 do-it-yourself projects. Features: Provides hundreds of innovative storage, display, and organizing options for every room in the house, plus garage, attic, and basement Shows how to stylishly incorporate storage solutions into your home decor to create additional seating, room dividers, entertainment centers, and children`s play areas Complete information on materials, tools, techniques, and easy-to-find storage products 8 step-by-step projects with easy-to-follow photo instructions

.com I consider myself, by average standards, to be fairly organized and somewhat innovative in figuring out storage options for everything from linens to scrap lumber in my home and workshop, but when Sunset Books says "complete" book of home storage, they're not kidding! There are lots of great ideas I never thought of, diagrams, suggestions, plans. I particularly liked their attention to using otherwise "dead" space for inventive storage, and like all of Sunset's how-to books, clear illustrations and great photographs make theoretical ideas easy to imagine, plan, and realize in your own home.
