Stanley : Complete Patios Masonry before purchasing it in order to gage whether or not it would be worth my time, and all praised Complete Patios Masonry:

0 of 0 people found the following review helpful. Just as advertizedBy Glen PJust as advertized0 of 0 people found the following review helpful. Great reference when neededBy everGreat reference when needed; the question is ; you did not know that you need this ; it gives you ideas references , new perspective.If you are house owner, designer , home oriented , need space , need control of your domestics enviroments , it could be "the book"practical and easy , make your small reference library and keep it near you.2 of 2 people found the following review helpful. Must buy for DIYersBy J. Tsail have many of the Stanley complete books, and they are excellent. They provide a wealth of pictures and info for big and small projects. They provide a step-by-step guide for how to fix, remodel, or improve everything around the house. I highly recommend the electrical and plumbing one too!

Shows all the tools, materials, and techniques needed to build a variety of popular masonry and concrete projects, including walls, patios, and sidewalks.Comprehensive planning and design chapter helps readers successfully prepare for a wide range of projects.Detailed instructionssupported by numerous photos and illustrationsexplain and show readers how to complete every job successfully.Priceless tips on maintaining and repairing masonry to ensure a long and attractive service life for every project.A must-have resource for anyone thinking about do-it-yourself concrete

and masonry projects.
