David Sowle, Ruth Dye : Complete Step-by-Step Upholstery before purchasing it in order to gage whether or not it would be worth my time, and all praised Complete Step-by-Step Upholstery:

0 of 0 people found the following review helpful. Five StarsBy AmaranthannLove it! Perfect because it is how to correctly reupholster...0 of 0 people found the following review helpful. Great bookBy zdogsI bought a copy of this book for my daughter and her husband because they want to re-upholster some of their furniture. I liked the book so much that I ordered one for myself so I can re-upholster some furniture also. I haven't actually used it yet but the instructions look clear and easy to follow.2 of 2 people found the following review helpful. So-SoBy JeremyThis book was good to flip through as far as getting a basic idea of how to upholster to learn a few tricks. I didn't find it as helpful as some other really detailed books though. It was worth a read, but not something I'm keeping in my permanent library to reference again. The upholstery types are outdated and not classic outdated, just old outdated. (Not old enough yet to be "cool.")

With 15 easy to follow, fabulously illustrated step-by-step projects, this is just what the beginning upholsterer needs. The first eight items including a drop-in-bottom chair, overstuffed seat, and box cushion teach the fundamental techniques required to tackle any upholstery task that might arise. After that, it's time to get more creative, with a beautiful Art Deco armchair, chaise longue, leather chesterfield, and more. Each project includes a list of tools and materials, a quick overview of the key skills, and tip boxes to make the work go more smoothly.

About the Author David Sowle and Ruth Dye run an internet-based upholstery company, oldsofas.com, specializing in pre-1940s traditionally upholstered furniture. They also make teaching CD-ROMs and import and sell traditional upholstery supplies.
