**Steve Cory : Complete Tile** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Complete Tile:

1 of 1 people found the following review helpful. Tile BookBy Customer donnaThis was a great buy. I received a lot of great back splash tile and floor ideas for the house that we are building.1 of 1 people found the following review helpful. Good to have this to leaf throughBy RupThis was a helpful book. Good to have this to leaf through, rather than just reading things online.8 of 8 people found the following review helpful. You Can Do It!By J.E. StephensThis book can inspire you to do that tile project you have always wanted to do. I read it and went to the local hardware store, bought my supplies, and made a nice tile addition to my kitchen. It is as easy as it looks in the book.

Start approaching all kinds of indoor and outdoor tile projects with complete confidence. A photo gallery of every tile provides design inspiration. Includes complete installation requirements with over 150 step-by-step photos of floor,

wall, tub shower, fireplace, countertop, and outdoor tile installations. Complete Tilehas everything needed to tackle any tile project, all in one inspiring, easy-to-read volume.
