Julian Owen : Conservatories: A Complete Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Conservatories: A Complete Guide:

Adding a conservatory to a house is one of the most popular home-improvement projects, but those wishing to extend their homes in this way have found it difficult to obtain practical, well-informed, and independent advice. This invaluable book addresses this problem and provides a comprehensive step-by-step guide. It describes how to design a conservatory that will suit your requirements and blend in with your property; it covers how to seek professional advice, budgetary, planning, and obtaining quotations; and it looks at suppliers, construction materials, the building process, interior furnishings, and much more.

About the Author Julian Owen is a chartered architect who runs his own practice in Nottingham, England. He has helped hundreds of people build and improve their homes and to make the most effective use of their available budget.
