And it is inspires the reader to contemplate how they want their own life to look, how they will contain their own beauty. Makes an excellent hostess present. Ms. DiMaggio reflects on her life as her children are leaving for college and she has to contemplate and navigate what her world looks like after that. A gorgeous book with universal themes!

Debbi DiMaggio has created a splash with her first book, contained beauty: photography, reflections swimming pools. Inspiring, breathtaking and honest contained beauty is much more than a beautiful collection of photographs.It is a visual journey that begins with who you are in order to know where you are going. By weaving her DiMaggio writers flare throughout the chapters in this book, Debbi takes readers through a photographic excursion to some of the worlds

most stunning swimming pools. By honestly seeing in her own reflection as to who she has become, Debbi reaches out to help others living contained and without joy. Following the Taoist Proverb, "No one can see their reflection in running water. It is only in still water that we can see," Debbi encourages all to take time with this artful collection of retro, luxury, and modern swimming pools and come away inspired. Printed by Four Colour Print Group, the 168-pages in this coffee table book are filled with exploding colors and dramatic images by photographers from around the world. Debbi's definition of art: Architecture+Landscape+Swimming Pool=Inspired Beauty.

Contained Beauty ensures that you will never look at a swimming pool the same way again." Toulia Victor, author of Spa Wanderlust "I have had the great pleasure of witnessing Debbi DiMaggio's remarkable ability to intertwine images and concepts with thoughtful interpretation and poignancy. Contained Beauty is a manifestation of those unique talents. My sense is that this will be the first of many books that will bring her great praise and appreciation."
