Marianne Binetti, Don Williamson : Container Gardening for Washington and Oregon before purchasing it in order to gage whether or not it would be worth my time, and all praised Container Gardening for Washington and Oregon:

2 of 3 people found the following review helpful. Container Gardening for Washington and OregonBy CoffeeBean11Great book for the Pacific NW! Love the color photos and I appreciate that they give nice details about

growing, recommending, and sharing tips about several species of plants that will do well in the Pacific NW. Saves time when you go to the garden center! 1 of 2 people found the following review helpful. Five Stars By K. McCune Delivered fine. Packed well. Item as described. Would buy from again. Thank you!

Container gardening offers an opportunity for a wide variety of plants for your Pacific Northwest garden. this book includes: *500 recommended plants and designs *planting tips and preferred growing conditions *rules principles of container gardening *color, flowering time, height, spread hardiness of each plant *photos showing each plant in a container setting
