Phyllis Richardson : Contemporary Natural before purchasing it in order to gauge whether or not it would be worth my time, and all praised Contemporary Natural:

0 of 0 people found the following review helpful. Not the Organic Guide Expected By Red Wood With the modern movement in place for organic, natural living, I thought this may touch on the subject, saving the reader from a more simplistic country standard (which the books are chock full of this). I was wrong. This is just another country title. Avoid at all costs. 0 of 0 people found the following review helpful. Four Stars By Rhonda E. Laight Beautiful book! 4 of 4 people found the following review helpful. This is THE book I've been searching for. By Julia H. Rice I have a lot of books on interior design and style. This is the one I would grab if my house was on fire. If I could crawl in between the pages, I'd take up permanent residence there. This is mostly a picture book. There's little text but tons of awesome photos that speak volumes. I give it my highest recommendation. Spend the money. You won't be disappointed.

A style book featuring 27 houses that exemplify the contemporary natural ideal. The photographs and commentaries explore how the artists are inspired by natural materials and organic forms and how these have shaped their interiors. A visual source section is also included for the different materials used, as well as contact details for each artist.

A wonderful reference for anyone seeking the visual support of like minds living in stylish but bohemian environments. -- SpaAn artful look at a major design trend: the marriage of nature and contemporary style. -- Met Home, September/October 2002Richardson's book is a diverse source of inspiration and cornucopia of possibilities. -- Charleston Post Courier, 10 November 2002About the AuthorSolvi dos Santos is a photographer with a worldwide reputation. Her previous publications include Living in New England and Living in Provence. Phyllis Richardson is former research editor of Architectural Digest. She is the author of XS: Big Ideas, Small Buildings, also published by Thames Hudson.
