Kelley Cheng : Cool Hotel Rooms before purchasing it in order to gage whether or not it would be worth my time, and all praised Cool Hotel Rooms:

Hotel rooms now go beyond the normal realm of design to attract the well-travelled. Some hotels are adding that extra edge when designing their hotel rooms. Unique, avant-garde and eye-catching, this selection of 30 hotel rooms will grab your attention through their vivid colours, impressive designs and unexpected layouts. Expect a stunning array of visuals that will have you thinking about the next cool hotel room to stay in.
