**Vinny Lee : Cool Pools and Hot Tubs** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cool Pools and Hot Tubs:

5 of 5 people found the following review helpful. Gorgeous and useful as source of inspiration By Linda This book has some innovative pools -- especially the one under a set of glass stairs in the entryway of a London building. There are indoor pools, outdoor pools, indoor-outdoor pools, the now-ubiquitous "infinite edge" pools and even "rustic" pools that look like natural ponds. Gorgeous! The book also covers Jacuzzis and pool-related structures, such as cabanas, waterfalls, and so on, but the focus here is high-end "cool" pools. 0 of 0 people found the following review helpful. Five Stars By John H. Gave me great ideas for my home pool.

Beautiful idea book packed with practical information For everyone who has a pool or hot tub or has ever wanted a pool or hot tub (isnt that everybody?) Successful author is an expert on planning contemporary living spaces Swimming pools...hot tubs...spas...ahhh. Not just for summer anymore, they have year-round appeal. A pool might be the focal point of a garden, surrounded by exotic landscaping. A hot tub fits in nicely at an entertainment area with barbecues and mixed drinks. Cool Pools and Hot Tubs looks at pools indoors and out, considering such design

elements as shape, size, landscaping, and features. Author Vinny Lee, an authority on contemporary interiors, describes the beneficial qualities of water for therapy and well-being and offers solid information on pool planning, finishes, maintenance, and materials. An inspiring idea book and a practical planning guide, *Cool Pools and Hot Tubs* is sure to make a splash!

'This book has a strong architecture element, but is also inspiring for a homeowner' *A Place in the Sun* 'A deliberately inspirational approach to the subject, but one that combines visual impact with concrete practical advice.' *House Garden* 'Indulges the senses with fantastic pics of achingly gorgeous homes with incredible swimming pools, spas, hot tub, and Jacuzzis' *Birmingham Post* About the Author Vinny Lee, a writer and stylist specializing in interior lifestyle features, is known from her appearances on TV and radio. Her many books on design include *Mood Indigo* and *Innovative Interiors*, as well as the best-selling *The Kitchen*. She divides her time between Brussels and London.
