Editors of Country Living Magazine : Country Living: 750 Style and Design Ideas for Home and Garden (Country Living) before purchasing it in order to gage whether or not it would be worth my time, and all praised Country Living: 750 Style and Design Ideas for Home and Garden (Country Living):

1 of 1 people found the following review helpful. Must have!By Nancy V.This is the book to have for a multitude of ideas and more ideas! Beautiful pictures and so much to learn about design and decoration.0 of 0 people found the following review helpful. Two StarsBy Sharon DePilloThe inside cover was torn off.0 of 0 people found the following review helpful. Four StarsBy James K. Steengood ideas

Reviewer: "sakuteiki" (Grants Pass, OR United States) Large format hardback with full page photos color each page, minimal captions, how to sections for creating your own unique interpretations of what you see. Compilation of photos from previous issues of Country Living Magazine condensed and available in one book. Abundant creative stimulation for moments when I just want to relax and allow myself some visual candy, snuggled comfortably listening to Miles Davis. Jazz and country? you bet!
