From Brand: Hearst : Country Living Decorating Style before purchasing it in order to gauge whether or not it would be worth my time, and all praised Country Living Decorating Style:

3 of 3 people found the following review helpful. Expectations not met By deborah I expected so much more, especially since the subject matter is so expansive. Guy Bouchet does a nice job of photography in this book, but has done so much better in books on France. I was a bit disappointed, but on a positive side, if I had not been exposed to so much better, this book would have been okay. 0 of 0 people found the following review helpful. Five Stars By Ani Loved it! 0 of 1 people found the following review helpful. One Star By Customer Disappointment! Nothing here for me in this book!

The fusion of beauty and function is the new approach to sophisticated country style. It incorporates design elements from a variety of heritages and trends, expanding the notion of country to include different national and ethnic fashions. Along with traditional elements like baskets and flowers are fresh suggestions and restorations that bring us

up to date: think of a U.S. flag draped over a wooden bench in a foyer, or a large vase of sunflowers on a cherry table.
