From practical storage to gorgeous display, nothing beats a basket--or Country Living's wonderfully imaginative ideas for using them throughout the home. The attractive photos tell the story, as they show off an array of different basket styles, all cleverly coordinated with overall decor. A large woven basket serves as a planter, and it harmonizes perfectly with a twill-weave trunk that doubles as an end table. For a breathtaking home gallery, install a shelf above a doorway and arrange a variety of richly patterned Venezuelan coiled baskets for all to admire. Pile fruit high atop willow pedestal baskets and place them on the kitchen table. Fill a deep rectangular basket with towels and keep it

tubside. Every look is lovely, classic, and country beautiful.
