Lots of ideasBy Terri MyersA great resource for entertaining outdoors....whether it is family, friends, or a large party --- this book has ideas that you can mix and match. I will be referring back to it time and again.0 of 0 people found the following review helpful. Nice book on ourdoor living; great picturesBy C Lynn PLove this book; great ideas for outdoor living and puts me in the mood when the weather starts getting warmer. I reach for this to browse when I am dreaming of warm summer days.1 of 1 people found the following review helpful. Great book!By Mark CampopianoI enjoyed Hamilton's book very much. It is chuck full of

wonderful pictures and ideas to "borrow." I read the book cover to cover and it will be placed among my favorite garden books on my shelf.

Outdoor rooms are an attractive option for gaining a little extra living space and providing a useful multi-purpose area for family fun, friendly get-togethers, and playtime. Country Living shows how to design the right open-air rooms for your needs, with page after page of ideas for setting up a relaxing haven, an upbeat entertaining spot, or even a romantic retreat. From quick and easy fix-ups such as placing a chair and table in a shady corner to elaborate layouts involving furniture, plants, and lighting, there's something here for every size backyard and budget. Smart tips offer ways to cut down on maintenance, choose a garden style that enhances the house, establish focal points, handle awkwardly shaped yards, add walkways and arbors, and select eye-catching plants.
