**Country Living : Country Living Porches Outdoor Spaces** before purchasing it in order to gage whether or not it would be worth my time, and all praised Country Living Porches Outdoor Spaces:

1 of 1 people found the following review helpful. A Pleasing Array of Porches Outdoor Spaces in a Cottage-Country StyleBy L. M. KeeferDiverse porches from around the country are featured in this Country Living porch book. The book is arranged by types of porches and outdoor spaces from screened porches, sunrooms, to patios, and sheds. You will even see porch furniture set among gardens and trees.All kinds of furnishings and accessories for these spaces are displayed. Wicker, wrought iron, wood and rattan are among the materials used. Many of the rooms combine a pleasing eclectic mix. These are cottage and country styles, not the more glamorous mansion styles. Some funky accessories are included on the porch such as wooden moose heads or antler furniture.This book will spark your imagination on how you can outfit a porch or sunroom or patio - do you like indoor-outdoor rugs, drapes on a porch to soften the sun and wind and afford privacy? What colors do you like on a porch? A soft blue, cheerful red and white, soothing neutrals, snappy black? Do you like painted floors - perhaps some jazzy stripes? How about a daybed on a porch?If you like cottage and country porches which look like they came together from a mix of sources, perhaps even

a thrift shop, you will enjoy perusing this book to inspire the decor of your own porch. 0 of 0 people found the following review helpful. Beautiful Book By NtnKtnI thoroughly enjoyed this book. Fabulous pictures and text. I will refer to it often for idea. 0 of 0 people found the following review helpful. Three Stars By Bernadette Manghi Beautiful photos and wonderful ideas for yard and garden .

Get the most enjoyment from your country homes outdoor spaces by creating an inviting place to hang out, read, nap, entertain, or just sit and sip a glass of chilled sauvignon blanc. Whether for a porch, patio, deck, sunroom, or garden; and whether the style is classic, rustic, retro, or flea-market funky, there are plenty of ideas here for you. Get timeless good looks on a budget, revamp with paint and simple furnishings, bring interiors outside, and incorporate charmingly traditional elements like farm-stand tables, wooden gliders, swings, and white wicker. Whether you're ready to tackle a major project or just want a couple of quick, easy ideas, this is the perfect, beautiful book for you.

In anticipation of the pleasant weather ahead, Cavender presents a wealth of ideas for comfortable and attractive outdoor living. In addition to porches, she provides decorating ideas for sunrooms, garden nooks, sheds, pergolas really almost any room that opens wide onto the outdoors. In more than 150 color photographs, styles such as rustic, flea-market chic, and traditional country are shown from homes located throughout the United States. Each chapter concludes with a detailed look at a space for which Cavender discusses specifics with suggestions on how to make it yours. The use of patio furniture, containers, and decorative garden sculptures as well as ideas for outdoor entertaining are also briefly covered. VERDICT This book extends the ever-popular country style into the garden, furnishing amateur decorators with a number of inspiring ideas. Library Journal
