Katy McColl, Country Living : Country Living The Little Book of Big Decorating Ideas: 287 Clever Tips, Tricks, and Solutions before purchasing it in order to gage whether or not it would be worth my time, and all praised Country Living The Little Book of Big Decorating Ideas: 287 Clever Tips, Tricks, and Solutions:

0 of 0 people found the following review helpful. Full of ideasBy eastcoastMy mom will sit and read decorating books over and over. So for a gift, I will sometime include a decorating book. The Country Living books are a favorite of hers because they are full of ideas and nicely put together. This is a very small book so the size may surprise you. But it is full of hundreds of ideas. It's small but the quality is there. She's happy with it and I enjoyed it as well. Lots of new ideas in it.1 of 1 people found the following review helpful. Good book to keep around--and really pretty tooBy M. A. KenleyI would call this a coffee table book, but they are just for show. This book works! There are ideas that cover the gamut of time and money expenditure, as well as skill levels. Good book to keep around--and really pretty too.0 of 0 people found the following review helpful. Great style book.By Hym39Really charming book. I can actually do some of these ideas!

Get inspiration on every page! Based on the signature Bright Idea feature in Country Living magazine, this stunning guidebook shows you how to decorate your home in fresh and imaginative ways. These are smart concepts you'll grasp

in a single glance and brief caption: shortcuts and quick pick-me-ups, artful displays, visual tricks that create a sense of space, sneaky storage to clear the clutter, and simple DIY projects (like crafting a bed canopy with ready-made curtains). All the suggestions are practical, pretty, and easy to implement.

Taking on home dcor for both inside and outdoor living, McColl collects the best ideas from past issues of Country Living magazine. Close to 300 photographs show 287 tips for storage, display, furnishings, and color. Much is made of repurposing items . . . Instructions are included for more than 25 projects, such as creating curtain tiebacks from silver flatware and transforming an old dresser into a wet bar. Many ideas are quite simple and incorporate suggestions on the use of paint and advice for displaying one's creations. VERDICT: Amateur decorators will find a wealth of inspiration for enhancing their country-style home. Library Journal
