Rhoda J Murphy : Country Living The New Look of Country before purchasing it in order to gage whether or not it would be worth my time, and all praised Country Living The New Look of Country:

The look of country has changed: Country Living brings dcor up to date in a beautifully illustrated guide. Every beautiful color photograph in this magnificent decorating guide from the experts at Country Living celebrates the new soul of country style and reveals a fresh, sophisticated approach to fusing the best traditional and contemporary ideas. Interiors with inspiring dcor abound, filled with soft slipcovered pieces, bold color palettes, and chic touches. Room by room, you see the wide range of possibilities that country style now offers: mix-and-match textures and patterns, showcased collectibles, and even homes dressed entirely in white. Alongside classic features such as baskets and flowers are innovative, up-to-date suggestions and restorations. You'll see how any space can display a personal take on country style.
