**Elizabeth Clair Flood : Cowboy High Style: Thomas Molesworth to the New West** before purchasing it in order to gage whether or not it would be worth my time, and all praised Cowboy High Style: Thomas Molesworth to the New West:

0 of 0 people found the following review helpful. Entertaining book full of great color photosBy Carolyn A. WeaverA \$40 book for pennies. It arrived in perfect condition from the seller. This book is full of timeless hand crafted furniture from not only Thomas Molesworth but many other newer artists. The pieces are set in beautiful colorful rooms. The photographs are large and very detailed. The text gives an overview of the start of Thomas Molesworth and other rustic furniture makers. It is a wonderful book to look at numerous times.1 of 1 people found the following review helpful. An interesting bookBy brian w sullivanThis book was interesting. It just scratched the surface of the subject of Molesworth's furniture. I see though this was the inspiration that got the next coffee table book which is comprehensive on the subject by Winchell. This is a start in the right direction but as noted light on content.1 of 1 people found the following review helpful. Cowboy High StyleBy Maril BiceVery interesting and informative book by Lisa Flood. She did a lot of research putting this book together, and getting to know all of the artisans she featured in

it. Nicely written, beautiful photographs. Fun reading if you like the "Cowboy Highstyle Life".

Thomas Molesworth has inspired a new generation of men and women who, today, are leading the country in western revival by crafting quality furnishings of leather, driftwood, swollen burls, and peeled poles. This book takes a fascinating look at the Arts Crafts tradition--the way it was then and the way it continues now. Functional, comfortable, and often whimsical, the works shown here are representative of the furniture and accessories that are so popular today. Paperback; 140

From the Inside FlapContents Acknowledgments Introduction Creating the Dream Revival Gallery of Furniture and Accessories Mixing Styles Just a Touch of Cowboy SourcesFrom the Back Cover"A handsome, sophisticated look at the best of the breed--designer Thomas Molesworth." --San Francisco Chronicle From authentic Thomas Molesworth collectibles to new western furnishings, Cowboy High Style presents the solid and fanciful designs of furniture makers who are leading today's western revival. Bowlegged cowboys, buffalo silhouettes, bucking horses, Indian teepees, antlered elk--all icons that symbolize the rugged West. These, plus sensual natural woods, vibrant leathers, and colorful woven wool fabrics, are the raw materials of western casual elegance featured in this book. Elizabeth Clair Flood, a San Francisco native and graduate of Georgetown University, is a freelance writer living in Jackson Hole, Wyoming. Her articles have appeared in magazines such as Architectural Digest, Cowboys and Indians, and West. She is the author of Old-Time Dude Ranches Out West (Gibbs Smith, Publisher, 1995.)About the AuthorElizabeth Clair Flood of Jackson Hole, WY has been an editor focusing on western culture and outdoor lifestyle for the Jackson Hole News.
