It was the inspiration to decorate my house my way - to my taste. I have listened to so many other voices for so long, this book gave me guidelines on how to start, how to achieve what I wanted. Certainly my home is a work in progress, but I'm getting there.I have given this book to several friends. Many are starting over or like me, redoing what they have. I think it's a great gift to a friend or to yourself.Enjoy!
