Japanese Garden Research Association, Japanese Garden Research Association Staff : Create Your Own Japanese Garden: Japanische Gartengestaltung before purchasing it in order to gauge whether or not it would be worth my time, and all praised Create Your Own Japanese Garden: Japanische Gartengestaltung:

0 of 0 people found the following review helpful. BonsailoverBy FLOver the past two years, I designed and built a Japanese garden using large and small boulders, crushed gravel, boxwoods, Japanese holly, dwarf mondo grass, John Creech stonecrop, etc. During this process, I collected and reviewed every Japanese garden book I could find. By far the best single work is Create Your Own Japanese Garden -- Japanische Gartengestaltung by the Japanese Garden Research Association. The gardens are all very high-end masterpieces, and the photos and accompanying diagrams offer virtually unlimited inspiration. Indeed, every time I go back to this book I learn something new.0 of 0 people found the following review helpful. Authenticity in Japanese GardeningBy A CustomerThis book provides many ideas

and examples of traditional Japanese landscapes. Mine has become littered with post-it notes as I use this reference book in my own garden.
