Henry W. Art : Creating a Wildflower Meadow: Storey's Country Wisdom Bulletin A-102 (Storey Country Wisdom Bulletin) before purchasing it in order to gage whether or not it would be worth my time, and all praised Creating a Wildflower Meadow: Storey's Country Wisdom Bulletin A-102 (Storey Country Wisdom Bulletin):

4 of 4 people found the following review helpful. A pamphlet for the Prairie By A Customer Creating a Wildflower Meadow is quite short, more of a pamphlet than a book, but what it lacks in length, it makes up for with information. The text is simple, direct and informative. It is divided into two sections: the first describes the process of creating the meadow. The second section is a flower-by-flower description of North American wildflowers. There is a detailed line drawing of each plant. The drawings are black and white. This book is well worth the small investment required. 5 of 5 people found the following review helpful. Creating a Wildflower Meadow By A Customer Concise and informative, this thirty-two page book is certainly worth the ..[money]. It contains useful charts and lists to guide the reader in choosing meadow flowers and grasses appropriate to their region and design scheme.
