Ashlyn Gibson : Creative Family Home: Imaginative and original spaces for modern family living before purchasing it in order to gauge whether or not it would be worth my time, and all praised Creative Family Home: Imaginative and original spaces for modern family living:

1 of 1 people found the following review helpful. I love it. By Tamar Shaanan Very inspirational, I love it. 0 of 0 people found the following review helpful. A interesting mash up of different styles. By Paola V. Fandez Garcia I love this book, is beautiful and full of ideas, each picture of every corner of the house, clearly my style of decoration a mix between wasabi and vintage. It gave lots of new ways for re order some spaces inside your home. I even when to the attic to look for some objects that i had forgotten for some time and re space them in the kitchen, bath or my bedroom. 0 of 0 people found the following review helpful. Wonderful book and just what i was looking for now ... By HiStar Wonderful book and just what i was looking for now having a small person to take into account at home! I have a large collection of home styling books and this one is definitely up there with the best of them. Highly recommend!

In *Creative Family Home*, Ashlyn Gibson explores the heart and soul of twelve homes that capture the zeitgeist in family living and celebrate the magic of childhood. Whether your family consists of a single bouncing baby or a tribe of pre-teens, *Creative Family Home* tackles both the practical and the decorative issues and paves the way for a fun, hard-working and creative home that grows and adapts with your kids. The book starts by focusing on the varying demands of family living, with suggestions for using space creatively, color, pattern decoration, living areas, sleeping spaces, bathrooms and storage. There are also suggestions for homework and creative zones, display, and outdoor spaces. Next, in *Creative Family Homes*, Ashlyn visits real-life homes that are notable for their fresh, irreverent take on modern family living and draws inspiration from their varying approaches to the multitude of demands that characterize modern family life. *Creative Family Home* celebrates color and originality and, above all, champions modern family life, where children, from babies to teens, are given the freedom to express themselves and to develop their individuality within the context of an imaginative and creative family home.

About the Author Ashlyn Gibson is a designer, sought-after stylist and writer as well as the founder of the award-winning family lifestyle store Olive Loves Alfie.
