Beautiful photos but By Antonello If you want to spend half an hour comfortably sitting in an armchair looking at full page photos of beautiful gardens certainly this is the book for you. But hardly is the book for you if you are eager to have an hammer and a nail in your hands.....

Garden Structures brings together a collection of hard and soft landscaping ideas to add character and interest to your garden. The first half of the book looks at the basics of using form and shape, color and texture. In the second half of

the book you will find lots of ideas that can be applied to your own garden, whether it is a tiny urban plot or a country cottage retreat.
