Uninspirational - two and half stars perhapsBy Avid ReaderI'm disappointed in this book. They are mainly country styles and outdated. Even the so-called soft contemporary and scandinavian belong to another era. If you are looking for creative styles or sleek modern for city living , forget it.15 of 20 people found the following review helpful. easy lessons on six types of designBy A CustomerThe book takes Classic, Country Cottage, Romantic, Soft Contemporary, Scandinavian, and Dramatic and other designs and explains their main style pointers. It illustrates

each type of design with beautiful photos. It gives these lesson and photo examples first in the livingroom, then bedrooms and halls and bathrooms. Well done.

A comprehensive guide to recognizing the common characteristics of various interior decorating styles. Each style includes a quick reference box which defines typical choices for walls and woodwork, windows, flooring, fabrics, furniture, lighting, and accessories. The extensive use of colour photos helps the reader to visualize the differences between styles and also provides inspiration for developing an interior style that fits the individual.
