Just a different arrangement, so I already had all of these. I passed on this book to someone else in my prayer shawl group! 4 of 4 people found the following review helpful. Another Great Crocheted Prayer Shawl Pattern Book By Bob and Carri I love the simplicity and the mix of a bit of difficulty for a challenge in this book. As a crocheting prayer shawl maker I love new patterns and am always seeking to add to what I already have. Perhaps some of these patterns have been offered online for free but I love the simplicity of the book and

the prayers. I use the prayers in cards attached or added to each shawl made. You can safely buy this book without finding the same patterns in the Lion Brand and Leisure Art Crochet Prayer Shawl books. 4 of 4 people found the following review helpful. Prayer shawl By Customer This book has some nice patterns in it, but most are too lacy to provide the warmth that many folks like, especially those undergoing chemo.

People often think prayer shawls come from a specific religious tradition. Not so these lovely wraps are for anyone, and nearly any occasion. The eight patterns in this booklet capture the beauty and power of prayer shawls, and will inspire crocheters of all skill levels to sample the uplifting experience of creating a prayer shawl. Embrace, inspire, and celebrate life with these beautiful crocheted prayer shawls: Granny Square, Edged Shawl, Portuguese Inspired Shawl, Milk Fiber Shawl, Genevieve's Journey Shawl, Topaz Shawl, Textured Beaded Shawl, Cape Cod Shawl.
