Foreword by Pippa Greenwood (author) Rachelle Strauss : Crops in Pots: Growing Vegetables, Fruits Herbs in Pots, Containers Baskets (Green Guides) (Paperback) - Common before purchasing it in order to gage whether or not it would be worth my time, and all praised Crops in Pots: Growing Vegetables, Fruits Herbs in Pots, Containers Baskets (Green Guides) (Paperback) - Common:

Like the idea of growing your own fruit, veg and herbs but don't have the room or energy? This title discusses how to get started and choose your pots, how to grow and harvest - including the appropriate crops for small spaces, how to deal with problems and lots of tips on how to be successful on a shoestring.
