**Mary Neal : Custom Draperies in Interior Design** before purchasing it in order to gage whether or not it would be worth my time, and all praised Custom Draperies in Interior Design:

3 of 3 people found the following review helpful. custom drapries in interor designBy T. MercadoA lot of helpful insight to custom drapries. It's a must have for someone who is doing business in draperies. Great book!!!!

"Presents a serious aesthetic and technical discussion of the entire field of visual design. Timely topics include architectural psychology, environmental behavior, design presentation, supergraphics, and the office landscape."
