Lawrence Michael Enright : Cut the Crap: At Last! A Book for the Plumbing Technician before purchasing it in order to gage whether or not it would be worth my time, and all praised Cut the Crap: At Last! A Book for the Plumbing Technician:

0 of 0 people found the following review helpful. Good sound solid tipsBy outlawVery informative. I've just recently got into the service side of plumbing and this book is a well of information. Good sound solid tips. I've been looking for a book like this that will help me transition from new construction to service plumbing. I highly recommend this

book for anybody getting into or had been in the service side of plumbing.
