Dallas Architecture Forum : Dallas Modern before purchasing it in order to gage whether or not it would be worth my time, and all praised Dallas Modern:

1 of 1 people found the following review helpful. perfect coffee table book! By mom of 3 Beautiful book full of lovely homes in Dallas. Should be in any modern collector's library! 1 of 1 people found the following review helpful. Five Stars By Craig Gibbons Great coffee table book highlighting homes in Dallas.

Illustrated with over 280 full-color photos and floor plans, Dallas Modern is a visual feast. Accompanied by informative chapter texts and thought-provoking essays by distinguished art and architecture authorities, this is a must-read for those who want to celebrate the best in modern living. The pages present a portrait of Dallas and show a sophisticated world of fine homes that are appealing, livable, and undeniably Modern in design.

About the Author Dallas Modern is sponsored by the Dallas Architecture Forum, a cultural organization founded in 1997 to promote public awareness of architecture and design.
