David Thiel : David Thiel's Power Tool Maintenance: Peak Performance and Safety for Life (Popular Woodworking) before purchasing it in order to gage whether or not it would be worth my time, and all praised David Thiel's Power Tool Maintenance: Peak Performance and Safety for Life (Popular Woodworking):

0 of 0 people found the following review helpful. Three StarsBy P. W. C.Was hoping for more info on the repairing.0 of 0 people found the following review helpful. Four StarsBy Norma G. Melefantastic book with good instructions5 of 8 people found the following review helpful. David Thiels Power Tool Maintenance: Power Tool Maintenance (Popular Woodworking)By Gary SmitherIts a fine publication easy to read and understand. It gave me pictorial views

of what I was supposed to do.

Get a Lifetime of Peak Performance from Your Woodworking Power Tools Taking care of your tools is important. You want them to work and you want them to last. Both financially and emotionally, woodworkers make a significant investment in the tools of their trade, and proper tool maintenance is an essential skill. Sounds intimidating? It doesn't have to be. Now, expert woodworker David Thiel shows you how to preserve the working life of your power tools and insure safety in the woodshop without spending all of your valuable woodworking time stripping down tools. Inside you'll find: A comprehensive guide to cleaning, repairing and tuning up some of the most popular tools, including table saws, band saws, hand drills, jointers and lathes An in-depth, illustrated look at the functions and parts of each tool Tips on how to identify trouble spots and adjust parts to obtain optimal performance And more... You don't need to be a machinist to keep your tools in working order. This book shows you all the basics and lets you put the focus back where it belongs - on your woodworking.

About the Author A woodworker with more than 20 years professional experience, David Thiel is Senior Editor of Popular Woodworking magazine and hosts the Tools Techniques program on The DIY Network. David lives in Cincinnati, Ohio.
