**Amanda Nisbet : Dazzling Design** before purchasing it in order to gage whether or not it would be worth my time, and all praised Dazzling Design:

1 of 1 people found the following review helpful. Dazzling indeed! By Jenny G This book is fantastic. I enjoyed reading the book and could relate easily to her ideas. The book is well written and the photos are beautiful 17 of 18 people found the following review helpful. Great style, great color, great writing By Margaret Thompson I will say upfront that I love to buy design books. But I will also state that a lot end up disappointing me and very few ever surprise me. This book was a wonderful purchase, the pictures, the author's point of view come sailing through. I loved it - and I've shared that with many others. The rooms Amanda decorates are gorgeous, liveable and not typical. Buy this book, you'll be delighted at every page turn. 1 of 1 people found the following review helpful. Gorgeous Book! By pinkpeony I have wanted this book for a long time so I finally decided to purchase it. The book is both beautiful and informative. I love Amanda's design style and enjoyed reading about her beginnings as well as her design tips.

As one of today's most sought-after designers, Amanda Nisbet brings a fresh, energetic approach to the traditional sense of luxury. Color, texture, and form blend to create her trademark comfortable elegance, and her work seamlessly balances function and style, classicism and modernism, in beautifully unexpected ways. With over 250 spectacular photographs of New York City apartments, country houses, and Hamptons beach homes, this extraordinary volume will show readers how to bring punch and color to classic rooms. Praise for *Dazzling Design*: Polished but never predictable interiors. *Elle Decor* *Dazzling Design* is a warm and inspiring compendium of Nisbet's most remarkable projects. *Lonny* magazine Designer Amanda Nisbet's new book . . . brims with color, life and wit. *Paper City* magazine

About the Author Amanda Nisbet founded her high-end design firm in 1998 and has residential projects in the United States, Canada, and Europe.
