**Howard Garrett : Dear Dirt Doctor: Questions Answered the Natural Way** before purchasing it in order to gage whether or not it would be worth my time, and all praised Dear Dirt Doctor: Questions Answered the Natural Way:

0 of 0 people found the following review helpful. Easy Reading with Lots of Information By Camelia I learned nice tips and concepts from this easy to read book. It has the Q/A structure, which I do not like much but the information is good. He is super-pro-organic and pro-trees, so I totally enjoy his views and recommendations. 1 of 2 people found the following review helpful. Dirt Doctor Does it Again! Dig In! By Snuggle Puppy Cottage Gave this to my sister who is a

Dirt Doctor fan. She LOVED it. 1 of 2 people found the following review helpful. dirt doctor By Jerry Dolman Good information

Howard Garrett has converted gardeners throughout Texas and beyond to gardening the natural way without chemical fertilizers and toxic pesticides. In this revised and updated edition of *The Dirt Doctor's Guide to Organic Gardening*, he uses a question-and-answer format to present a wealth of new information on organic gardening, landscaping, pest control, and natural living. The book also incorporates valuable feedback and suggestions from gardeners who've successfully used Howard's methods.

"This is a 'must-read' for home gardeners. It should be mandatory reading for commercial growers." About the Author Howard Garrett is a landscape architect, certified arborist, horticulturist, and organic practitioner in Dallas, Texas. He promotes his organic gardening program, *The Natural Way*, through his WBAP radio and Channel 8 TV shows, weekly column in the *Dallas Morning News*, monthly *Dirt Doctors Dirt* magazine, and regional and national speaking engagements.
