Debbie Travis : Debbie Travis' Painted House Bedrooms: More Than 40 Inspiring Projects for Your Personal Sanctuary before purchasing it in order to gauge whether or not it would be worth my time, and all praised Debbie Travis' Painted House Bedrooms: More Than 40 Inspiring Projects for Your Personal Sanctuary:

7 of 7 people found the following review helpful. You are better off with a Home Depot book! By Karen Vare Harling I usually like the TV program and after watching an episode where Debbie transforms an old door into a beautiful headboard I wanted to buy the book to follow up on the idea. However the book is more of a portfolio of Debbie's work. Sadly the project I'm interested in only takes one page, very brief directions and doesn't show the before and after. The step by step instructions are very simple, you need to be knowledgeable of the matter to be able to do

anything. I would hope from books of this sort more trick and tips of the trade.0 of 0 people found the following review helpful. okayBy MAnot one of my favorite Debbie Travis books. Little substance. Not much new. Disappointing. And I am a big Debbie Travis fan0 of 0 people found the following review helpful. DisappointedBy C. FarrisI was disappointed with this book and also with Debbie's Painted Kitchen book. Both are heavy on her commentary light on how to do's. Plus I didn't think that many of the ideas were very original or creative. If you just want to read commentary that sounds very much like her on her HGTV show, these books are for you. For great ideas, save your money.

It has never been so easy to tailor a bedroom to your own taste. Whether your style is classic or eclectic, country or urban, boldly colorful or elegantly understated, Debbie Travis has a painted room you will want to call your own. Her all-in-one bedroom reference guide provides useful information on choosing beds, bedding, lighting, and window treatments and, of course, dazzling designs for painted walls and furniture. More than 40 innovative do-it-yourself projects with simple step-by-step instructions help you create stunning walls, headboards, furniture, and floors, adding personality and panache to any bedroom.

From the Inside Flap It has never been so easy to tailor a bedroom to your own taste.
