Michael R. Anderson : Deck Patio Furnishings: Seating, Dining, Wind Sun Screens, Storage, Entertaining More before purchasing it in order to gauge whether or not it would be worth my time, and all praised Deck Patio Furnishings: Seating, Dining, Wind Sun Screens, Storage, Entertaining More:

2 of 2 people found the following review helpful. The One Book to Have for the Beginner or Intermediate By Sarah I ordered four used books for creating outdoor planters, simple 2X4 furniture and a trellis or bench. All simplified as much as can be for an amateur who has limited tools. If I knew what I knew now this is the only book I would have ordered. Many projects of course use more than 2X4's but the plans and instructions are easy to follow and the pictures inspirational. You can even opt out of certain embellishments. Exactly what I needed. Thank you. 6 of 6 people found the following review helpful. Wonderful patio projects! By Customer I appreciated the step by step instructions that

made each project obtainable for someone with limited experience.0 of 0 people found the following review helpful.
Great gift and multiple projectsBy HnterTons of great projects for any backyard and multiple skill levels. Bought as a gift and would definitely buy for myself/husband.

Get everything you need to know to build 25 outdoor projects, from benches to birdbaths! Deck Patio Furnishings is a collection of easy to intermediate projects that any homeowner with basic tools can build. These practical projects for outdoor living range from seats, benches, tables, and lounges to overhead arbors, wind and sun screens, deck boxes, storage, bars, and even side tables and cooler stands. Most are made with standard dimensional lumber, so finding the right materials will be a snap! Each of the 25 original, never-before-published projects includes dimensioned plan drawings, cutting and shopping lists, complete step-by-step instructions with clear how-to photos, and a gorgeous finished photo so you can be sure your work will go smoothly.

About the AuthorMichael Anderson is an art director, photographer, and writer with a passion for designing buildable projects with simple elegance. In addition to his magazine and advertising work, he has supplied the illustrations for several Cool Springs Press books and shot all of the photography for the 2013 title Easy Birdhouses Feeders. He lives in Chanhassen, Minnesota.
