Great ideas and good tips.By A CustomerI love the deck that is pictured on page 7 of Getting Started. How can I obtain a copy of the plans of this deck by Gary Marsh of All Decked Out. Please e-mail any information you may have.

Here is a collection of professionally designed decks that homeowners with average skills can build. Colorful, detailed construction drawings, a materials guide, and suggestions on adapting the plans to different situations make this a

practical, easy-to-use outdoor building guide.
