Buie Harwood : Decorating Texas: Decorative Painting in the Lone Star State from the 1850s to the 1950s

before purchasing it in order to gauge whether or not it would be worth my time, and all praised Decorating Texas: Decorative Painting in the Lone Star State from the 1850s to the 1950s:

0 of 0 people found the following review helpful. A disappointing book By David Arbogast Not knowing the history of decorative painting in Texas I purchased this book, hoping for a solid overview of the topic. I was disappointed. The book is poorly written and poorly illustrated. It covers some examples of early decorative painting which, in themselves, would be interesting if the text was more understandable. At this point my opinion is that the door remains wide open for a better book on this potentially interesting topic. 0 of 0 people found the following review helpful. My cousin and I were in Dr. Harwood's classes ... By Mary My cousin and I were in Dr. Harwood's classes at the University

of Texas. We were both thrilled with the book.
