Marcianne Miller : Decorating with Mini-Lights: 40 Sparkling Ideas Projects for Home Garden before purchasing it in order to gauge whether or not it would be worth my time, and all praised Decorating with Mini-Lights: 40 Sparkling Ideas Projects for Home Garden:

0 of 0 people found the following review helpful. It's great to have it on hand again By M.J.I ordered this book to replace one I used to have. Made the mistake of loaning it to someone without making a note of WHO! It's great to have it on hand again. 2 of 2 people found the following review helpful. Great pics = great ideas! By Eclectic Entrepreneur I actually got this from the library first and like it so much that I bought it. Just loved the pictures which inspired some cool decorating ideas for a couple parties. If you can get it cheap, it's worth it! 0 of 1 people found the following review helpful. Four Stars By Pamela Ricchiocame and in good condition thank you

They twinkle as brightly as on Christmas night--but minilights aren't just for holidays anymore! Economical, safer than candles, and available in many styles, they produce beautiful effects indoors and out. The vast decorative possibilities spring out at you from each page, presenting everything from traditional white and rainbow strings to

large gleaming, flickering orbs. Light display shelves to show off collections; bring the garden in with a star-kissed bower of glimmering plants; or give a young girl a pretty princess canopy over her bed. Illuminate windows with lights and lace, or make a patio shine. Kindle romance with an enticing Valentine's Day table for two. Go through the year with seasonal sensations, from a spring wedding arbor to a spooky Halloween House. Every lighting idea is brilliant!

From the Back Cover Put up twinkling mini-lights and suddenly any room or garden becomes a shimmering wonderland. They will create a captivating, fairytale atmosphere in no time, making any setting irresistibly entrancing whatever the season. From icicles to galaxy balls, all of the mind-boggling varieties available will have a big effect on your decor; in fact, the only "mini"s in mini-lights are mini-effort, mini-cost, and mini-maintenance. Try these fabulous ideas and projects not only at special occasions like parties, but also whenever you want to please yourself. Add romance by putting up a Glowing Spring Wedding Arbor; set a celebratory mood with a Brilliant Bar; make a little girl's wish come true when you give her a Little Princess Canopy; light up your garden with a tomato cage chandelier--and more.
