**Emily Phillips : Decorative Accents for the Garden** before purchasing it in order to gage whether or not it would be worth my time, and all praised Decorative Accents for the Garden:

0 of 0 people found the following review helpful. Love your garden?By MJThis is a great book to read during the winter.Many, many do-able projects- fun things!Or just dream...

From whimsical to dignified, charming to refined, each of these projects will find a place in your garden -- and your heart. With minimal materials and a few minutes of time, you can have a watermelon pot to hold your pansies, seashell candleholders for a romantic glow, and a barometer in a life preserver.
