**From Taschen : Decorative Art 1970s** before purchasing it in order to gage whether or not it would be worth my time, and all praised Decorative Art 1970s:

This title takes key pages from "Studio Magazine" - a magazine dedicated to fine and decorative, innovative art, and explores the designs and styles of the 1970s. The text looks at natural materials, and designers of the decade as well as forms that captured 70s style.
