Verna Cook Shipway, Warren Shipway : Decorative Design in Mexican Homes before purchasing it in order to gauge whether or not it would be worth my time, and all praised Decorative Design in Mexican Homes:

0 of 0 people found the following review helpful. Mexico in black white! By anonymous Good info and could only be improved if the photos were in color. 1 of 1 people found the following review helpful. Great book for classic Mexican design. By Fritz If you're restoring or building a Mexican style home, this book is a must. Lots of pictures from the authentic Mexican homes of bygone year. Great reference for the true details.

Richly illustrated survey of timelessness and beauty of Mexican architecture.

From the Back Cover This latest volume in the Shipways' popular series of books on Mexican homes is a treasure trove

of beauty, a book to incite the imagination.
