**Pepin Press : Decorative Patterns from Italy (Agile Rabbit Editions)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Decorative Patterns from Italy (Agile Rabbit Editions):

1 of 1 people found the following review helpful. Not impressed By B. Pereira Sp many of the patterns are a repeat. A waste of money. Don't get if you want lots of different patterns. 0 of 0 people found the following review helpful. Beautiful little book By Deborah L. Riva The pages are printed with beautiful patterns. It is nice to just flip through the pages and look at all of the colors and patterns. It came with a cd as well. 0 of 0 people found the following review helpful. Italian Patterns By E. Smith This book is beautiful and organized perfectly. The included cds are a real help. I want to buy more of this publishers compilations.

Decorative Patterns from Italy contains a wonderful collection of patterns reproduced from some of the countrys most beautiful Gothic and Renaissance churches. Most of the designs are taken from floor mosaics and wall friezes in churches and have been carefully restored and digitized for contemporary use. All images are saved on the accompanying free CD-Rom.
