0 of 0 people found the following review helpful. Three Stars By M. Butler I would have liked more commentary on the rooms. 0 of 0 people found the following review helpful. One Star By Gail P. Boyce Totally disappointing--small photographs, over decorated, not one room was truly inviting. 1 of 1 people found the following review helpful. very enjoyable By Debra H. Albert This book was given to me as a gift and I thoroughly enjoyed sitting and reading through the beautiful pages. I've used many of the pictures for inspiration while redecorating my own home. I've gotten comments like, "did a decorator do this room?" and "this must have cost a fortune!" and "what a great idea!" Many friends have borrowed the book but I always make sure I get it back!
